

For your iPod Touch 2G and iPhone 3G/S, Prestigio's protective cases are elegant accessories that will definitely add a touch of style to your modern device. They are available in ten different looks in various colors and texture, in quality PU material or genuine leather.

Prestigio's protective cases do not only look good, but they are also very practical with three patented functions, for a complete solution:

The case protects your precious device's surfaces, ports and controls from dust and impact.

the case's interior is made of a soft, cleaning material for the screen.

And the case's front flap can be used as an easy stand for your device. Designed to optimize the usability and functionality of your iPod Touch 2G and iPhone 3G/S.

Prestigio's protective cases are a must-have!
